■ SSS Open House

SPN's 3RD YEAR PARTICIPATION & SUPPORT FOR THE SSS' OPEN HOUSE 2008 WAS A GREAT SUCCESS! Committee members spent months before that to plan for the big event deliberating on the food items for the SPN stall and to promote their new and trendy SPN T-shirts for sale as souvenirs. Enjoy the photos showing what an Active and Fun Parents' Team we have!

■ National Day Celebrations

SPN celebrated National Day with the school differently this year. Instead of the usual parents' heritage and games booth, SPN parents proved that we were just as creative as any Singapore Sports School students and staff and rose to the occasion in our support of the school's National Day Celebration 2008 with our creation of the giant puzzle on 'Celebrating the Singapore Spirit'. It was certainly a worthwhile mission for all of us who came to the school on 7th August afternoon, helping the school's NE committee with the artwork for the

school's celebration of our nation's 43rd Birthday. It was also a wonderful and memorable moment for us, parents, to be able to celebrate the Spirit of Singapore together with Singapore Sports School's staff and students on the 8th August morning.
