

SSP STAFF DAY

28th August 2009

On 28th August 2009, Singapore Sports School (SSP) celebrated Staff Day with a big party jointly put together by the Singapore Parenting Network (SPN) and students of SSP. It was their way of saying “thank you” to all the teachers, coaches, staff and especially to the Principal, Mrs Deborah Tan.

The event was run and coordinated by the students with SPN Ex Co members supporting it whole heartedly by gracing the event, contributing to boxes of snacks/cakes for the staff, and even providing on stage band performance.

Our SPN parents, Dorothy and Ckristabel, dressing up our favorite SPN “daughter” for the Snow White contest.

We would like to thank our very sporting student athlete Fatin, from Track & Field who offered to be our SPN model.

The SPN band led by team leader Malek, with back-up singers Dorothy, Zurina and students from SSP, belted out Air Supply's "All out of love" and "Stand by me" by Ben King.

With deafening applause from the audience, it will be a must see performance for next year's event.

Malek and team, do start rehearsing and preparing for next year!

"Hey, the last time I did that was in primary school." But to our SPN parents, Ckristabel, Aileen and Victor, it boils down to pure concentration and determination in the colouring contest.
