The Singapore Sports School students also participated in the Cheers Age Group. This was an international event and many strong badminton countries came to participate. The players learned and gain many valuable experiences from this competition.

The best performers were Thng Ting Ting who made it to the U-15 Girls Singles Quarter Finals and also the pair of Noriko Goh / Thng Ting Ting, they made it to the Quarter Finals as well.

We hope to learn from this experience and to put up a stronger challenge for honours in the 2006 tournament.
