Sports School Ready For KL

Kuala Lumpur 2017 Southeast Asian Games Send-Off Ceremony

Posted: 15 August 2017

It all began in 2005 when Singapore Sports School sent seven student-athletes to the Southeast Asian Games in Manila. Six editions on and the number has increased by nearly 15 fold.

On 10 August 2017, Sports School organised its seventh send-off ceremony to recognise and cheer on its past and present student-athletes heading to the Kuala Lumpur 2017 SEA Games. Student-athletes and alumni will be competing in 17 out of 38 sports contested at the biennial Games.

The evening event was attended by Chairman of Sports School's Board of Directors, Ms Yeoh Chee Yan, who was guest-of-honour, Chef de Mission Mr Milan Kwee and his deputies Mr Mark Chay and Mr Lee Wung Yew. Each SEA Games-bound athlete received a board

comprising all Sports School athletes heading to the 29th edition in Kuala Lumpur and the school mascot ROAR.

Sports School sent off its largest number of representatives at this year's SEA Games. Over 100 past and present student-athletes have been given the nod from the Singapore National Olympic Council, with at least 40% of them making their debut at the Games. Amongst the 104 Team Sports School's competitors, 45 of them are current secondary and post-secondary student-athletes. Pistol coach Nigel Lim Swee Hon from the Shooting Academy will also be part of the Team Singapore contingent.

In the last edition of the Games on homeground, Sports School athletes contributed a creditable 38 per cent of the gold medals won by Team Singapore. They garnered 32 golds, 19 silvers and 19 bronzes.

Competition began for the footballers and netballers on 14 August. Sports School wishes our student-athletes and alumni the very best as they do Singapore proud at the Games which officially begin on 19 August. We're Ready for KL and will be backing all of you up!
