

Memories Never Forgotten

2017 Graduation Ceremony

29 September 2017 was a big day for 129 Singapore Sports School student-athletes. It was their graduation. Out of these 129 student-athletes, 43 will be sitting for the GCE "O" and "N" Level Examinations and 20, the International Baccalaureate Diploma Programme Examinations; while 66 are on the various post-secondary programmes.

This year's graduating cohort was the first batch of students which Principal Mr Tan Teck Hock has seen through their whole journey in the Sports School. Mr Tan shared his sentiments with the graduating batch.

"Your time and journey with the School does not end here, you are part of the School, our community and our collective achievements and legacy," he said.

Valedictorian James Stuart Lowe Heng Leong, in his speech, shared the same sentiments as Mr Tan.

"From this point on, we might go our separate ways, but we'll always be with each other in our hearts and minds whenever we reminisce on the good times we've shared together," James said.

James ended off his speech with a quote from the School's former Principal, Mrs Deborah Tan, when he enrolled in the Sports School five years ago: Sow a thought, reap

an action. Sow an action, reap a habit. Sow a habit, reap a character. Sow a character, reap a destiny.
