

Splish! Splash! For A Good Cause

Singapore Sports School CAS Car Wash

It may be the wet season, but staff of Singapore Sports School know better than to view the rain as a substitute for a car wash.

They turned up in force to support our International Baccalaureate Year 5 and Secondary 4 Pre-IB student-athletes who were washing cars from 7 to 9 November 2016 to raise funds for their Creativity, Activity, Service (CAS) Trip.

The student-athletes also conducted a bake sale from 7 to 11 November and set up a flea market stall on 13 November to raise more funds for their trip from 23 to 30 November.

More than \$2,500 has been raised for the purchase of construction materials and gifts to improve the learning environment of the village children in Sapa, Vietnam.
