Singapore Sports School recognises and encourages the personal growth and development of every student-athlete and on 23 March 2016, Principal Tan Teck Hock launched the revamped PRIDE Programme.

Staff will issue the PRIDE Card to any individual who exhibits the values of Respect, Integrity, Responsibility, Excellence and Resilience in his daily effort; student-athletes who possess outstanding behaviour traits will be nominated for the ROAR Award.

Through the PRIDE Programme, Sports School hopes to bring out the Sport Champion, Champion for Sports and Champion for Others in our student-athletes.

“Our collective action to give accolades will bring added joy and motivation to our student-athletes and encourage them to always Know the Good, Do the Good and Love the Good,” said Mr Tan.
