

Welcome, 2017 Freshmen

Singapore Sports School Primary 6 Camp

There is a line in Singapore Sports School's anthem that says, "Every step leads us closer to our goal."

It was with this in mind that Sports School held its annual Primary 6 Camp to welcome the 2017 Freshmen taking their next step to become Sport Champions.

Besides learning about Sports School's culture, the camp on 18 and 19 October 2016 gave the Freshmen a chance to meet their teammates for the first time – the people who may end up as their closest friends for life.

They were given a glimpse of what it means to be a Sports School student-athlete as they stayed in the Olympus Lodge boarding school, ate in The Arena dining hall and joined their Sports Academy seniors in training sessions.

In fact, a few seniors such as Bowling Academy's Nur Amirah Ng (Huang Kaixin), did not just train with them but went a step further and volunteered as a Camp Group Leader.

"As a Group Leader, I had the unique opportunity to help my juniors have a good camp as well as share Sports School's values and culture with them, values and a culture which I strongly believe in," said Amirah.

The two-day camp ended with the Freshmen's parents being treated to a concert performed by the P6ers, followed by a dinner reception.
